

LOS ANGELES WEBSITE NOW UPDATED AND LAUNCHED!!

The website for the Los Angeles Chapter of Lambda Alpha International has been redesigned, updated and launched. We now have a more contemporary and sophisticated look with newer fonts and color, and containing many new features, with new tool bars for easier navigation. The website has been designed to be more direct, interactive and user friendly. Here is a summary of the elements with “easy to follow instructions”:

The address is: <http://www.lailosangeles.org> .

Please note that the international address is www.lai.org. However, use the first address listed, since that will bring you to our local Los Angeles chapter, and will allow you to also enter the international website to make modifications to your membership.

The New “Home Page”

When you enter, it will bring up our new “home” page look, in blue with navigational tools on the top, and along the left side.

This home page includes welcome information about Lambda . This first page menu also allows you to select the links on the left side bar for more specific information, or on the top bar which has more features. Go directly to the area of your interest and click on the text.

More information about the various links are indicated on Pages 2 and 3.

If you have problems navigating the site, or have additional ideas to make this site more friendly and comprehensive, please contact Maurice Kurtz (310) 821-0803, or email at kurtzplg@aol.com

Using the top bar for Navigating:

The top Navigational bar shown above contains many features.

The **Keynotes** button brings up the monthly online newsletter about LAI International and the other chapters. It also features Letter from the President, Editors Column, New Members and other Announcements.

The **Contact Us** button allows you to email members of the Board directly to their address.

The **Members** button brings up the Membership Directory, allowing you to edit your information.

When you press the **Meetings** topic on the dark blue bar, an additional menu pops up allowing you to go directly to the **Luncheon Meetings** menu, containing a listing of past and future meetings, as well as some photos of those events. Pressing the other menu buttons will give you schedules of **Board Meetings** and their Agendas, **Breakfast meetings**, or other **Special Events**, both local and national.

Using the left side bar for Navigating:

Lambda Alpha International brings up the International website and includes the “members only” section where you must enter you email name and pass-word to log in and activate the Directory and edit information about yourself. This link also includes a Calendar of International and Chapter events.

Lambda Alpha Background states the objectives and goals of LAI

Lambda Alpha Los Angeles Chapter contains background information about the formation of the Los Angeles Chapter and the original membership.

Board of Directors and Officers includes photo and contact information of the current Board Members serving Lambda.

Past Initiates will bring up a listing by year of newly inducted members and photos (if available) of the Inductee Event.

Nominations will bring up information on how members can nominate new members. It includes the process undertaken by the membership committee and the Board. It includes a two-page application form in PDF which can be printed and submitted to the Nominating Committee.

Skyline Awards describes the objectives and listing of our chapters previous prestigious recipients. Further clicks brings up additional information about the projects and links to actual websites.

Special Speaker Series includes information and schedules of this series sponsored jointly with the faculty of CSun Northridge. It also provides a link directly to the CSun’s (Center for Real Estate) website.
