**About LAI**

LAI is an honorary society for the advancement of land economics. LAI provides a forum for the study and advancement of land economics where the “winnowing and sifting” of ideas takes place in an atmosphere of mutual respect.

LAI operates through a network of chapters. An LAI Chapter provides variety of programs and forums for its members to share information critical to understanding important land-use issues.

**LAI Memberships**

Benefit from all LAI has to offer

Lambda Alpha International’s members represent a diverse group of professional disciplines in fields related to the ownership and use of land and buildings. We invite new members interested in contributing their expertise and experience to our ongoing discourse and activities. Membership is by invitation only.

The criteria for membership specifies that nominees have achieved professional distinction, a minimum of ten years of work experience in the field of land economics, and have made an outstanding contribution to the community through public service.
